## Guest Information

Please read and/or share with your children the T.S.S.A. RideSmart rules. This information is designed to help make your day as safe, fun and exciting as planned.

We also invite you to participate in our new program which allows children to be accurately measured one time at the Guest Services Booth. After being measured each child will receive a coloured sticker which will indicate which rides they are tall enough to ride. Then you need only look for the height signs that match the colour on your child's sticker to know which rides they can enjoy.

A list of the colour categorized rides is located below.

RIDE	HEIGHT	RIDE	HEIGHT
Clown House		Bumble Bees	over 42" uabc
